

CANOPY

Approved Plant List Street Tree Addendum

Street Tree: All of the following meet Collier County canopy tree requirements for Inland Zone and may be used as your home's designated Street Tree.

Large

Quercus virginiana	Live Oak
Taxodium disticum	Bald Cypress
Citirexylum fruitcosum	Fiddlewood
Celtis laevigata	Hackberry
Quercus laurifolia	Laurel Oak
Acer Rubrum	Red Maple
Liquidambar styraciflua	Sweet Gum
Plantanue occidentalis	Sycamore

Medium

Ilex Cassine	Dahoon Holly
Ilex attenuate	East Palatka Holly
Magnolia grandiflora	Magnolia
Ulmus Americana	Florida Elm
Myrcianthes fragrans	Simpson Stopper

Additional Trees and Palms

Listed on page 46 and 47 of Design Criteria Manual.

You may select one of these additional trees to be your designated street tree ONLY if you meet Collier County's canopy tree requirement with other trees on your lot. This will require documentation of all trees on your lot and your pervious lot size. Please ask the ARC or BOD for guidance.

Submittal of a Modification Request form is required for any tree removal and/or planting. ARC approval must be granted before work commences.
